

# G2 Fatboy

Three inches deeper to hold that full size steam pan. Deep enough to not have to trim your ribs and briskets. Heavier racks along with the new fire grate on rails introduced in our G2 Chubby and G2 Party. The bigger water pan and charcoal pan also give you a longer burn time before adding more water or charcoal.

The weight of a G2 Fatboy unit is 155 kg.

## Outside dimensions:

- 76 cm deep plus 6,5 cm for the thermometer and latches
- 102 cm tall plus 8,9 cm for stack
- 89 cm wide plus 20,3 cm for the drain
